 - Strengthens the skin by stimulating fibroblast proliferation

EPICUTIS HYVIA® CRÈME FORMULATION

No.	Ingredients (INCI)
1	Water
2	Butyrospermum Parkii (Shea) Butter
3	Caprylic/ Capric Triglyceride
4	Propanediol
5	Glycerin
6	Pentylene Glycol
7	Limnanthes Alba Meadowfoam Seed Oil
8	Glyceryl Stearate SE (self-emulsifying)
9	Stearyl Alcohol
10	Dimethicone
11	Steareth-20
12	Tocopherol
13	Salvia Hispanica Seed Oil
14	DSD (Disodium S-Phytyl Diglycolylcysteine)
15	Ceramide NP
16	Isocetyl Alcohol
17	Cetyl Alcohol
18	Phytosterols
19	Ferulic Acid
20	Oenothera Biennis (Evening Primrose) Seed Extract
21	Butylene Glycol*
22	Irish Seaweed (Himanthalia Elongata) Extract
23	Fucus Vesiculosus Extract
24	Saccaromyces Cerevisiae Extract
25	Sodium Benzoate
26	Potassium Sorbate
27	Carbomer
28	Potassium Pentatate
29	Potassium Hydroxide
